To Whom It May Concern:

**Mr Ricardo Lagos**

This is to confirm that Mr Ricardo Lagos was enrolled in this Faculty in October 1991 to commence his PhD studies. Having successfully completed the first year he was then formally upgraded to PhD status in July 1992. During his time as a Ph.D student he actively participated in the PhD Programme, attending workshops and seminars and he was under the supervision of Dr. G. Palma . He remained at this status, working towards his PhD until April 1995, when he came off the university register.

Please do not hesitate to contact me if you require any further information.

Yours sincerely
